Pelco Heads Across North America with the 2017 Roadshow Tour

Full and Half Day Sessions Scheduled in More than 25 Cities

Clovis, CA (May 25, 2017) – [Pelco by Schneider Electric](#), a global leader in surveillance and security products and technologies, has initiated a massive Roadshow Tour across the USA and Canada commencing this summer. The extensive [Road Show schedule](#) covers more than 25 cities featuring both half and full day sessions. The complimentary roadshows offer the opportunity for attendees to engage with product and technology subject matter experts to learn about new Pelco solutions, and experience the latest Pelco products and technologies.

“Security technology is evolving further and faster than ever, and we want to show both new and current users, channel partners and A&Es how our latest suite of surveillance solutions provide distinct advantages,” said Diane Feliciano, VP, Global Marketing,

Pelco by Schneider Electric. “We want the industry to clearly see that Pelco is moving ahead by their side, and these roadshows present the opportunity for us to do so on a very personalized level.”

Commencing in June and running through August, the Roadshows will be held simultaneously in locations across the Southeast, Northeast, Southwest and Northwest regions of the USA, as well as in Eastern and Western Canada. Half day sessions run from 9:00 am to 12:00 pm and from 12:30 pm to 3:30 pm. Full day sessions run from 9:00 am to 3:30 pm with a half hour break for lunch. Seats are limited and advanced registration is required.
